List high school subjects in terms of total credits.

_____ Business Education

_____ Foreign Language

_____ Industrial Arts

_____ Social Studies

_____ English

_____ Science

_____ Agriculture

_____ Home Mechanics

_____ Mathematics

Indicate with an X, which of the above subjects you enjoyed the most.

In what activities did you participate in high school,
and what awards did you receive in these activities.

List the same information for any activities that are outside of school.

What is the work experience have you had during your high school career?

What organizations have you belonged to, and what offices did you hold in these groups?

Explain how you plan to finance your education. Since first consideration will be given to an applicant who, without this scholarship, may not be able to go to college. You may comment if you wish on your plans for financing your education.

At some length answer the following:

What are your present plans regarding a career and what has influenced your thinking on this matter?
