Section: \_\_\_\_\_

Name: \_\_\_\_\_

Chapter: \_\_\_\_\_

\_\_\_\_\_ **DEGREE ACCEPTED**

**State FFA Degree Application Meets All Minimum Requirements**

\_\_\_\_\_ **State FFA Degree Application Does Not Meet Minimum Requirements**

*See reason(s) below – Checked box indicates requirement not met*

- Candidate has not been found as an active member on the local chapter roster.
- Candidate's SAE does not qualify as a bonafide SAE to qualify for the State FFA Degree.  
Comments:
- Pages of application that transfer numbers from one location to the next have not been printed on the same day, thus numbers don't correspond with each other.
- Signatures are missing or incomplete. **Cover Page**
- Candidate does not have a satisfactory record of scholarship as certified by a school administrator. **Cover Page**
- Candidate does not have at least 24 months of FFA membership at the time of application – **Cover Page B**
- Candidate has not indicated that they earned their Greenhand Degree and Chapter FFA Degrees. – **Cover Page B**
- Candidate has not completed at least 360 (2 years) of Agriculture Education Instruction while in high School – **Cover Page B**
- Page 2** of the application does not correspond with the rest of the application thus effecting the minimum qualifications for the degree as far as the years of records, scope of the SAE and does not provide an accurate reflection of the SAE records in corresponding pages.
- Financial errors have been found throughout the application. See more comments below.
- Candidate is including financial records or hours from 2010, which are not allowed. Once these are taken out the member does not meet minimum qualifications.

- Candidate is counting both entrepreneurship and placement hours toward the owned items in the SAE (i.e. animals). This is ok to do if the parts of the SAE are independent of each other. Not acceptable if - Example: If you own a horse you cannot count the hours for taking care of that horse as placement hours toward your State FFA Degree.
- There are problems with the candidate's inventories as to where items are reported, depreciation or other technical problems. **Pages 5-7**
- Pages 8a and 8b** have financial problems in regards to inventories, values in bartering, reporting of non-cash operating expenses or other problems on these pages, that affect the outcome of these pages.
- Page 9** has an error.
- Candidate has not earned or productively invested \$1500 or worked 1000 hours in an SAE. If there is a combination of hours and money earned and invested, the percentage of each does not equal 100%. **See page 11.**
- Candidate does not have 5 clearly defined activities above the chapter level. **Page 12**
- Candidate does indicate clearly that they demonstrated 6 skills and competencies through their SAE. The skills and competencies do not relate to the students SAE and are not specific enough to qualify. **Page 13A**
- Candidate does not have 10 different Parliamentary Procedure abilities listed or the proper terminology was not used in listing these abilities. **Page 13A**
- Candidate does not have two five-minute agriculturally-related speeches. **Page 13B**
- Candidate does not meet 4 of the 6 capacities required under #22/or items did not met the criteria in one or more of the categories. **Page 13B**
- Candidate does not have a satisfactory record of participation in the planning and completion of the chapter program of activities. **Page 13B**
- Candidate has not included the additional page for the community service requirement requirement and/or is not meeting the 25 hour, 2 activity community service requirement. **Extra page**
